

New Britain, Conn.,

Sat., June 18, 1870.

Pres. A. D. Smith,

Dear Sir,

Your invitation to act as one of the Examiners at Dartmouth, at the close of the present term, was duly received, and is accepted with pleasure. Not until this morning did I receive word from the State Board of Education, that I could be released from duty here in season to be in Hanover on the 14th of July, hence my want of promptness in this response.

Very respectfully yours,

Linac N. Carleton.
